

Lenten Journey 2014 : Ash Wednesday

mercredi 5 mars 2014

Today we begin Lenten Journey 2014. We invite you all to journey with us with creation-centered lenten refectations beginning with Ash Wednesday.

Lent is a time not for giving up but for taking on a time to be re-connected. Lent is an ideal season to care for God's earth and take action that will honor Christ's teachings, to work in behalf of the most vulnerable. Let us engage into the spiritual discipline of putting compassion into action allowing ourselves to reconnect with the Cosmic Christ to journey from Cosmic Dust to Easter Garden.
