

Transformation of Christ

jeudi 14 août 2014

As we recently celebrated the Feast of the Transfiguration, we are all called to transformation. The Metamorphosis of Christ was a new way of seeing Jesus. In the same way the disciples saw Jesus in a new perspective we are called to new ways of seeing, new perspectives, and new paradigms. Morning Talk is also going through metamorphosis. We are grateful for all who have subscribed and shared Morning Talk. Watch out for our new format in the coming months. We look forward to your continued support.
